

Action Scene # 1

INT. CHURCH - DAY

A beautiful wedding ceremony takes place. The pews are packed with impeccably dressed WEDDING GUESTS, all in their Sunday best.

The ORGANIST plays the WEDDING MARCH.

Guests already start to weep like crazy.

ANTHONY RIZZO (late 30's, handsome) proudly stands at the altar in a white tuxedo. He's all smiles, as he witnesses his blushing bride ELIZABETH marching down the aisle.

More sobs and tears from the guests.

Just as Elizabeth almost reaches the altar...

ANTHONY

Duck!

ELIZABETH

Duck?

Anthony forces Elizabeth to duck as he yanks a semi-automatic weapon out from his vest and SHOOTS a HEAVY-SET MAN, who enters the church.

Everybody gasps. The PRIEST passes out at the altar.

ELIZABETH

I thought you said you were in the witness protection program!

ANTHONY

I am!

Anthony SHOOTS another MAN, as he enters the church.

ELIZABETH

(crying)

This is my wedding day for God's sake!

ANTHONY

You think I knew this was going to happen?

A SWARM OF SUITED MEN rush into the church.

ANTHONY

Everybody clear now!

The frightened guests scatter like birds.

Anthony FIRES towards the suited men, as he guns towards the emergency exit. He shoves open the door.

ANTHONY

(to Elizabeth)

Well? You coming or not?

ELIZABETH

I don't know!

A GUNSHOT is fired, barely missing her head by a few inches.

ANTHONY

Yes or no?!

Elizabeth rushes out the door. Anthony continues FIRING towards the suited men.

Two of them get shot and tumble to the floor.

Anthony and Elizabeth flee the premises.

EXT. CHURCH - DAY - CONTINUOUS

Anthony and Elizabeth run towards the limo, which is parked out front.

Three of the suited men pursue them. Elizabeth screams in a panic.

Anthony opens the door for Elizabeth and impatiently signals for her to jump inside. She literally dives into the back seat, barely missing another bullet as it hits the pavement below.

Anthony shuts the door.

The limo speeds off.

INT. LIMOUSINE (MOVING) - DAY - CONTINUOUS

Anthony holds Elizabeth tightly, as she shakes like a leaf.

ELIZABETH

Are you sure we're safe?

ANTHONY

You know, for my future wife, you don't hold a lot of trust in me. Don't worry, the windows are bulletproof.

The limo stops short, causing Anthony and Elizabeth to reel forward.

ELIZABETH

Why are we stopping?

EXT. STREET - DAY - CONTINUOUS

The LIMO DRIVER, a burly black man, rushes out the driver's seat and FIRES at the suited men who are one car behind them. He manages to stain their windshield with blood, killing them all before they get a chance to exit the vehicle.

INT. LIMOUSINE (MOVING) - DAY - CONTINUOUS

Elizabeth stares out the tinted window.

ELIZABETH

Is your limo driver a trained assassin?

ANTHONY

You think I hired him for his driving skills? He barely even passed his written test.
